Safe Place - Zero Tolerance to Domestic Violence

Following training by some members of the congregation Ballinamallard and Trillick Methodist churches now have Safe Place accreditation.

Safe Place posters, window stickers and business cards are displayed in both churches and halls.

We have signed up to the Safe Place Pledge:

- To Never commit, condone, or stay silent about Domestic Abuse.
- To Acknowledge that Domestic violence or Abuse are problems that impact on everyone and be prepared to play your part to help and support anyone affected.
- To Provide a Safe Place for anyone affected by Domestic Violence or Abuse to confidentially access information.

We don't provide direct support services to anyone living with domestic abuse, but we will ensure anyone affected is directed to local support services.

If you are affected by domestic or sexual abuse, please contact Jill Keys (07849 147319) or Maureen Brunt (07798 735200) for confidential guidance on how to contact the appropriate services.

If your home is not a safe place, your church is.

If you are interested in being part of this important church team, please speak to Jill or Maureen about how to access the required training.

Refresher training is required every 3 years.
